Subject: Freedom of Information Act Request No. GRC-06-028

This letter is to advise you that a releasability determination regarding NASA contract NAS3-03100 and the task/subtasks (A03, A03.01, and A.03.02) has been made. NASA Glenn Research Center (GRC) has completed a thorough review of these documents. This review has also taken into consideration comments submitted by RS Information Systems, Inc. (RSIS) in their letter dated June 7, 2006, comments by the Contracting Officer, as well as applicable statutes and regulations. A redacted copy of the contract including the statement of work will be made available to OMNIPLEX in accordance with NASA determination letter dated April 12, 2006.

The task/subtasks (A03, A03.01, and A.03.02) of this contract will be released in full.

Future FOIA requests for copies of the contract and attachments will be released consistent with the releasability determination dated April 12, 2006. Future FOIA requests for copies of the task/subtasks (A03, A03.01, and A.03.02) of this contract will be released in accordance with this releasability determination. NASA will advise, and request comments, from RSIS concerning FOIA requests for documentation of a confidential commercial nature which are not included in the documents addressed above.

If you have any questions/concerns, please call at (216) 433-2813 or FAX (216) 433-5489.

A handwritten signature in cursive script, reading "Angela L. Pierce".
